

I need Subtitles

1. Switch on the Beyonwiz PVR and wait for a picture to show on the screen. If a picture doesn't appear, your PVR may need to scan your channels first – See “How do I do a Channel Scan?”

2. The remote has a button that looks like a square with a line at the bottom (next to the **REC** button).

Press this button to bring up the **Subtitle Language** dialog.

3. Use the **ARROW** buttons on the remote to select **English**, then press the **OK** button.

4. You should now see subtitles (if they are enabled for this program).

5. To disable subtitles, press the **Subtitle button** (step 2) and use the **ARROW** buttons on the remote to select **Disable** and press **OK**
